Sunday 10<sup>th</sup> May 2026 – 0900-0930 – GREENFIELD REC. FALSTAFF STREET

Monday 18<sup>th</sup> May 2026 – 0900-0930 – GREENFIELD REC, FALSTAFF STREET

## Bike Marking events

---

Castlefields & Bagley Safer Neighbourhood Team

---

We have organised several successful bike marking events over the last few months, this is a great deterrent from thefts which has seen a measurable impact on local statistics with thefts of pedal cycles reducing. We will be organising further events over the summer months, please look out for these in advance, we will post on Neighbourhood Matters and our social media pages to advertise.

### **Speeding Concerns**

Road safety concerns, in particular speeding, are consistently raised by our local communities. If you are concerned about speeding in your area, then this can be raised with either your local parish/town council or your local Safer Neighbourhood policing team. We currently have a fantastic group of volunteers who assist with a Community Speed Watch campaign in the area which we are hoping to grow over the summer, if you would like to be put in touch with them, please let us know.

### **Could you join us?**

From one group of volunteers to another, West Mercia police are continuing to look for Special Constables to join as part-time, voluntary police officers. As a Special Constable you are fully trained, have full police powers, wear the same uniform and provide a vital role in making our community safer.

Applications can be made online via our website, or you can email [BOC.Specials@westmercia.police.uk](mailto:BOC.Specials@westmercia.police.uk) for further information. We have recently had Special Constable 39340 HUGHES join the team; you will see him out working with us regularly as he gives up his free time to help keep you safe.

### **Crime Statistics**

Current statistics on calls to police and crime recording for your neighbourhood can be found at [www.police.uk](http://www.police.uk) if you have any concerns or wish to discuss any of these further, please contact us.
