

WEST MERCIA POLICE

West Mercia Police, in collaboration with Oswestry Town Council and partners are seeking the views and experiences of people who live, work and socialise in Oswestry.

The survey is about how safe women and girls feel in different areas of the town, although the survey is open to anyone who wishes to participate.

The survey is anonymous and the answers will enable us to have a clear picture of how safe women and girls feel in Oswestry on a day to day basis.

West Mercia Police is committed to reducing incidents where violence is used against women and girls in public spaces.

Please scan the QR code to access the survey.

In an emergency, always call
999
