Speed Survey

A speed survey was carried out in Longdon Upon Turn on the 9th May 2022 by local PCSO Rhodes and PCSO White

Average speed was 30.9mph in a 30mph Zone

A joint Community Speed Watch training session for the Waters Upton and Edgmond team was held at Water Upton village hall on Tuesday 26th April presented by Mark Booth (ex West Mercia traffic officer) and Rural Support Officer PCSO Ivan Collumbell.

It was great to meet members of these two teams who are carrying out such an important role to keep our roads safe.

Wear your seat belt or face a fine of up to £500

Sign up to Neighbourhood Matters ... Community Messaging Service

Neighbourhood Matters enables residents, businesses and community groups to keep in touch with local policing teams. You can choose exactly what type of alert you wish to receive and how you receive them; whether that be by email, text or telephone.
